

Cody Bear

October 8, 2008 - May 6, 2021

Cody was adopted into love on October 8, 2008, and was called home on May 6, 2021. He was a Chihuahua Welsh Corgi Mix. He was loyal, dedicated, courageous and adventurous. Always smiling and his tail wagging, he waited eagerly to give his kisses. Cody was a great protector with a fierce loyalty to his family. He loved to play in the yard. He hated to get his paws dirty and would walk alongside the gardens on brick pavers. He would lay out in the sun as much as possible. Cody loved to go for buggy rides, and be around his family. His big sister Ruby passed away in 2009 and his little brother Hudson adored him and protected him. Cody and Hudson were always referred to as the "boys" and were best buddies. Cody loved to be around people, most especially his family and he enjoyed the occasional "get togethers" with all his cousins. Cody was usually very quite and unobtrusive but would make his presence known when he wanted loving, attention and of course food. He was a big cuddler and would sit on your lap for hours on end, especially if you were rubbing this head and telling him he was a good boy. He had a watchful eye and needed to know where you were going when you left the room. All the better if you came back with a treat for him and his brother Hudson. Instead of walking, Cody usually "galloped" and had a bounce to his step. He was very gentle in his ways and actually had a calming effect on people. For such a little guy he had a huge heart and a lovable spirit that will always be loved, honored, cherished, and deeply missed. We know it's time that your spirit is set free to soar high with the angels. Fly high, know that our hearts are with you and the separation can not break the bond we all shared. You are so loved and missed little buddy.

He was definitely a bed hog and loved stretching out to be comfortable while wrapped in his blankets. He never wandered far from his family as he kept a watchful eye on one and all. He had such a special way of tilting his head with his ears perked up as you spoke to him. One would swear he understood each and every word you were saying. He and Hudson would be at the door wagging their tails and ready for hugs and kisses when you arrived home.

Cody gave so much love, affection, compassion and kisses. For being a little guy, he had

an unbreakable bond with his family, he was the protector and the wise guy all in one. He was dedicated, observant and his personality stood leaps and bounds above him. He truly made our house a home. As his health began to decline he never lost his spirit and zest for life. He gave every ounce of love he had until the very end.

Cody, you will never be forgotten. Your spirit and love will live on in everyone who knew you and loved you. Our house is empty and our hearts are crushed, but we knew your spirit needed to leave your body and soar amongst the angels. You are so loved and deeply missed sweet baby boy.

A private family wake and service was held on Friday, May 7, 2021 followed by cremation. If desired, expressions of sympathy in Cody's honor may be directed to the Buffalo Animal Shelter, where Cody was adopted from. Their address is 380 Oak Street Buffalo New York 14203.

"WAITING AT THE DOOR"

I was just a pup when we first met, I loved you from the start, you picked me up and took me home and placed me in your heart. Good times we had together, we shared all life could throw, but the years passed all too quickly, and my time has come to go. I know how much you miss me, I know your heart is sore, I see the tears that fall when I'm not waiting at the door.

You always did your best for me and your love was plain to see, for even though it broke your heart you set my spirit free. So please be brave without me, one day we'll meet once more, for when you are called to Heaven, I'll be waiting at the door.

We will be honoring Cody by starting a foundation working with animal shelters and rescue agencies to collect toys, towels and blankets for the dogs. Details will soon follow and your support will be greatly appreciated. Every animal should have a loving family, a safe and happy home and warmth and comfort.

“ Cody,
it's unimaginable that you have been gone a month. You are missed beyond words. We love you more than you will ever know and your love was returned ten fold. It's seems so unfair how you suffered in the very end. You smile, warmth, love, kisses, hugs and "cody antics" are terribly missed. You are loved now and always little man. Your family.

“ There are simply no words my very dear friend. Anyone who knew Kevin knew the relationship you had with this beautiful baby boy. It was always "Cody this" or "Cody that". You all gave him so much love,, a beautiful home, attentions and compassion. Cody had a very good, rich and fulfilling home and life for many wonderful years. He adored you and you loved him immeasurably. Our hearts are truly crushed for you. NEVER HAS THERE BEEN A STRONGER BOND BETWEEN THE TWO OF YOU. We are holding you in our hearts and love you. Cody could never leave your side, so he is there in one way or another.

Peace and so much love .

“ Dogs are not our whole life - but they make our lives whole. Cody Bear you were given such a good home and in return you loved unconditionally. You were protective, you were loyal, you played, you loved, obeyed, ran and made many friends along the way. You will be missed terribly. But, my friend, it is your turn to rest. To Rest In Peace and to be pain free. We love you.
