“ Carrie’s Grandmother Charlotte here at Hultquist Place at Lutheran-Jamestown NY so often talked about the giftedness and brilliance of her granddaughter. We prayed for Carrie often at the conclusion of our weekly Bible Study. My prayers are with you her family & friends. Pastor Laura Csellak, Chaplain.

“ Carrie and I were classmates and friends from kindergarten to graduation. She was unfailingly kind, generous of heart, strikingly beautiful and absolutely brilliant. We had many fun moments in class, at school events, playing basketball, youth group. She was a truly good person - never had an unkind word. I remember more than a few times when her calmness and understanding diffused conflicts among others. Though we did not stay in touch much after high school, I always remembered her fondly as I'm sure everyone did. I know she went on to do amazing things in her career and touched many other people's lives in a positive way. To her parents, sister, and other family members I am so sorry for your loss. The world is a poorer place without her.
