“ *My deepest sympathies to the Batt family. She was my Latin teacher and to this day I still sing the song she taught me to remember some of my Latin words. She was a wonderful woman with a heart of gold.*

“ *Jack & family,
Your family touched ours in many positive ways...excellent junior high Latin teacher, camp fire girl leader, on our paper route, shared faith community, and 'over 55 group' ...neighborhood neighbors.
Thank you for enriching our life.
Know that you remain in our thoughts & prayers as you travel this road of life.
Our hugs are with all of you.
I remember using your microwave to partially roast thanksgiving turkey when I had forgotten to turn our oven on. (a last minute discovery on our part). You saved the day since we had company arriving. (Late 70's before we even owned a microwave).
