“ I will miss you very much my friend. It was a pleasure working with you and becoming work besties and at times troublemakers lol. I still can't believe this happened and I'm very sad too. Thank you for being my work buddy, for everything you did to support my granddaughter's fund raising at her school, the gifts you gave her and i and just being you. Our little mascots weird purple duckie and drunk bob are with me because you wanted me to have them. So rest easy, have good sweet dreams and good memories of our time as friends. Always in my heart, love you too Colleen...💕💕💕
