“Denise Clay and her mother and daughter I got to know as a teacher at Burgard and Grover Cleveland. She was a beautiful person and woman who was loved by All.I appreciated all you did for me when Kari(my daughter) got rushed to Children's Hospital. You understood that becoming a father at 40 was difficult.I loaned Denise my favorite mitt for her daughter to use when she wanted to play Softball.HER MOM... I got to meet later at a wedding at the Connecticut Street Armory.No wonder Denise had such class and beauty.We ended up eating at Duff's.with the Ventresca 's.Beauty and Class were part of the mother and daughter's. Please save me a seat at God's Great Table in heaven.You were loved and will be missed by all who knew you and the family

“A group of us (Beverly, Linda, Beatrice and Valata) had so much fun and laughter hanging out with Denise at our 50th Anniversary! We went shopping together and all bets were off with any possible budgets, we may have had! Thank you for all of the fun, memories and sisterhood! Until we all meet again. In sisterhood, Valata

The last time we talked you were telling me how blessed you felt, how loved Randi and Darryl made you feel, how they had been in lock step with you throughout everything, never wavering. What a gift. Its taking me a while to get used to the fact that you're on the other side now. Above all I think I will miss your irreverent sense of humor that always made life make sense or at least palatable. Gonna need some of that now. May God bless and keep you.
