“ *Haley.....You are special and cherished. I loved the times when we were just silly and having fun and still have the CD that you made me when you were about 10 years old. I'll never forget you trying to eavesdrop in moms and my conversations. You dear were such a fire cracker and so beautiful and kind. I'm so sorry that moving and kids and everyday life took time away from us all. You have now made me realize that keeping in touch is so important and life and friends cannot be taken for granted. Thank you. You're at rest now sweet girl. Sorely missed but will NEVER be forgotten. I love ya Haley!* ”
