“ I Remember Harriet from the old days at Columbus Hospital and Sisters. She was HANDS DOWN the most compassionate nurse I have ever known! Her patients, their families, the staff and the MD's loved her. I am sorry to hear how sick she was but I also know she has earned her spot in heaven alongside her husband, brothers, parents and everyone else. Although it's been a long time since I have seen her or had communication with her, I always remembered her and all the fun we had as nurses. Truly, she was so very special and could make a brick wall laugh! God Bless you all on your loss of such a wonderful person.

“ Grandma,
There are so many beautiful, warm and precious memories and stories of you. I will also remember your generosity, kindness toward all, love of animals and perhaps most of all your gentle voice reassuring us everything will be okay! I know at the end things were rough and I am so blessed that I was in Buffalo to say goodbye. I love you so much and am honored and blessed that you were my {our} granny. May you be at peace and reunited with gramps and everyone else. Love you and will hold you in my heart forever.

“*Harriet always had a smile on her face and a kind word to say about everyone. She always told me how much she missed Kaisertown and enjoyed her rides back to visit. She shared with us many stories of the "days gone by". Our deepest condolences to all her family. Harriet will always occupy a special place in our hearts. God Bless you all.*
