“ I recently went to Forest Lawn Cemetery to visit my family members, and saw that Jackie had passed away. She actually rests next to my mom, Angie Castronovo, who was her friend and former co-worker at Canisius University. Mom had always spoken very highly of Jackie, and valued their friendship. I met Jackie several times over the years and she was always so nice to me. I hope she's resting in peace, and that she and Mom are reminiscing about old times. My deepest sympathy for your loss. Rose Livergood, Angie Castronovo's daughter.
