

Justin Scott Morrison

February 11, 1987 - March 21, 2025

It is with heavy hearts that we announce the passing of Justin Morrison, beloved son, brother, uncle, and friend, who left us too soon at the age of 38 on March 21, 2025. In his short but very full life, he brought joy, laughter, and love to all who knew him.

Justin was the cherished son of Patricia Gima (Ray) and Scott Morrison (Debbie), the loving brother to Jamie Engl (Nick) and Emily Morrison, and the proud uncle to River Engl. Justin's grandmother, Patricia Gima, and many aunts, uncles, and cousins also survive him, all of whom loved him dearly.

Justin's warmth and vibrant personality lit up every room he entered. His infectious smile and unparalleled sense of humor made him the life of the party, and he was known for his ability to make everyone feel like the most important person in the world. His large circle of devoted friends knew they could always count on him to listen and make them laugh, offering unwavering support whenever it was needed.

Above all, Justin's love for his family was unmatched. His bond with his nephew River was especially deep, and he loved him more than anything in

this world. Justin was also considered an uncle to all of his friends' children-who loved him dearly. He had an extremely special bond with his siblings, a bond that was so incredibly rare. Justin's devotion to his family and friends was insurmountable, and he made it clear that the people he loved meant everything to him.

Justin loved fishing and disc golfing with his friends and family. Ever since he was a child, Justin loved gathering around a campfire, listening to music, and joking around with loved ones. But more than anything, he relished meaningful conversations, often sharing deep, heartfelt discussions with the people he cared about most.

Though he was taken from us far too soon, he lived a very full life, and he lived it on his own terms.

Justin was truly everyone's best friend. He touched so many lives with his kindness, generosity, and humor. His presence will be sorely missed, but his legacy of love, laughter, and friendship will never fade. Justin leaves behind a hole in the hearts of those who loved him, but his spirit will remain with us forever.

He was loved more than words can express and will never be forgotten. FAMILY AND FRIENDS ARE CORDIALLY INVITED TO ATTEND JUSTIN'S CELEBRATION OF LIFE ON SATURDAY, APRIL 26, 2025, BETWEEN 6:00 PM AND 11:11 PM AT THE ST. “ To my brother,

We grew up together, you were the best friend I could ever ask for. Thank you for always being there for me when I needed you most. Thank you for being the one who rarely missed your birthday, always calling to show love. Thank you for being my friend, even when I wasn't the best friend that you deserved. I'm sorry for any wrong that I ever did to you.

I remember growing up we had been in a rare fight that led us to stop talking for a few weeks. Jamie called me and said "dude, my brother is miserable without you, you guys need to make up, now". Thank you Jamie for saving our unbreakable bond.

The last thing I text to you was that we need to take care of ourselves so that we could fish in the Ozarks when we are old and gray. You passed away without a reply. But I'm sure you would have said "Heal yeah, brah" ...

I love you buddy, more than you'll ever know. Watch over us, especially when we buy scratchys 🥹

“ *I have too many to share, he was like a son to me. I loved him with my whole heart! 38 years wasn't enough time and I'll miss him every day. Several years ago he happened to be working in Memphis TN & I was working in Knoxville TN. We decided to meet in Nashville for the weekend! We had so much fun! It was just the 2 of us and I'm so thankful for the memories! RIP my Jussy!!*

“ I knew Justin his entire life. He was a happy-go-lucky kid, and that beautiful disposition stayed with him. Justin was extremely smart, but would deny that fact, an expert on pop culture and sports, and was able to trade barbs with the best. I always enjoyed his company, his comedy and his contagious good nature. He made me a better person and I miss him.

“ Had the opportunity to be Justin’s friend and lived together countless years. It’s rare to find friendship with such an amazing, genuine person. Justin Aka Crusty absolutely lit up every room he entered. He had an infectious smile and his personality was incredible. If you were having a rough day Justin could turn it around. He was a comedic genius and always happy! As life went on and we got older our paths may have gone in different directions, but the impact he made in my life will never be forgotten. We are going to miss you buddy! Hope you’re laying & touching wherever you are... cheers brah!!!

“ There is just too many to list. Weekly or almost daily we hung out was a comic relief. He could turn anything into comedy and that’s one of the many things I loved about him. The world lost the a great person.

“ Embarrassing but... My best memory with Justin was at Patty's surprise birthday party. He and I were sitting around the fire. I was hammered and probably high on gummies.

I have no idea exactly what he was saying, but I laughed super hard and peed my pants (just a little, but enough to feel it). I told him. He said "Well, that's gross..." And I died laughing some more and peed a little more. And told him that Jamie had competition now for being my favorite of Patty's kids! 🤪

I hope that makes you smile ❤️

“ Just the countless laughs and destruction we created in my mom's basement and at my dad's cabin. A lot of good and late night campfires there! Crusty you will truly be missed by so many. Love ya brotha!

“ Our paths crossed throughout high school and at parties, but I remember Justin the most from being one of my first friends from kindergarten. I don't remember many birthdays, but I remember that Justin and Jamie were at my kindergarten birthday at Chuck E Cheese. Watching how one person can bring together a whole community of people who loved him is a true testament to who he was as a person. ❤️

“ I have so many memories of Justin but my favorite one is when we were camping at our friends cabin in Angelica...riding 4 wheelers, shooting guns and eating and drinking probably more than we should have but we always had a great time when we all got together. This particular weekend we were out at the camp fire and I finally went to bed..leaving the diehards out there..Justin being one of them. The next morning I got up and went outside with my coffee and there was Justin...talking to some other people. After awhile I looked at Justin and asked "are you still out here from last night?". Without losing a beat he said "Yep...cause that's how I dooz-it!!" I spit my coffee out and couldn't stop laughing!! That has been and always will be my favorite Jussy phrase. I love you and will miss you terribly Justin. We'll see you on the other side kid ❤️❤️❤️

“ My deepest sympathy to Patty, Scott, Jamie and all of the family members. I can't imagine your pain and what you are all going through. I was honored to meet Justin on a couple of occasions, a very pleasant young man with lots of charisma. I remember that he smiled a lot and was happy go lucky. I know he will be horribly missed, this is so tragic and unfair. To everyone who loved Justin, again I can't imagine how hard this is. I am looking forward to attending Justin's memorial I want to give all of you a hug Please be strong for each other, they say time heels but his loss will never be the same. Love, Phil Boncore
