“ Rest peacefully...you were one of a kind. So many years knowing you and you were still a crazy guy. You were one of the good guys in kaisertown with a warped mind...always joking always had the smirk. I was saddened to hear that you were called to the heavens...please behave up there! “ My good friend since High School. He never hurt a soul. Always kept to himself. Liked his bottle of beer and a shot. Made his appearance at all the stops in KT. We made each other laugh. A good respectful man. Going to miss you brother but I know someday we'll have a beer and a shot once again. R.I. P. my friend.

“ Oh Hojna where do I even begin. When I first started at Porkys i thought for sure you were never gonna speak to me, and then a couple weeks later it was like I've known you forever. There wasnt much we didnt talk about in the years Ive known you. Always had a spider in your pocket to scare me with and my favorite candy in the other. Porkys definitely wont be the same without you! I hope you have unlimited gas and oil up there! Ill even do a shot of razor blades just for you! You will be missed by so many 💔 Love-The Queen

“ *Who knew when we moved to Kaisertown 10 years ago that the scary guy at the corner bar would turn out to be a good friend and jokester. Once he let you into his circle you were friends and open to all of his antics. He will be deeply missed.*
