“ Mom, I miss you, there's so many things I need to ask your opinion on, so many questions to ask- I hate that you suffered those last few months, I can say that I couldn't be more thankful to have been here for you. I can also say that you left with a greater appreciation for each other-no holds barred, we settled what needed to be and we seen each other in a light we never have, and I'm thankful for the words you said to me before you left, but I'm upset we couldn't see each other that way longer. Mom I love and appreciate every thing you did for me, and I'm sorry I made you feel the way I did growing up- love ya Momma xoxo Gone too Soon
