“ I remember the first time I saw you. You were dropping Preston off at daycare and I was dropping Liam off . You looked at me and smiled that huge smile. I thought to myself, wow, this lady is super happy. Little did I know, you thought I was my sister. After that we became the best of friends. We ended up working together at the same place and hit it off. You have this contagious personality that just made everyone laugh and smile. You would do anything for anyone in need. I will miss you for the rest of my life but I know that you are at peace and with Michael for whom I know you missed very much. Rest in Peace my friend. Until we meet again.

My thoughts and prayers are with the Dwyer and Donnelly family at this time. I am so sorry to hear of Mary's passing. We have been friends since our Drum Corp days. While we have lost touch we still would chat on FB and it was like no time had passed at all. Mary's beautiful smile will live on. RIP my friend...
