“ Sharon there are no words only tears, it wasnt suppose to happen like this, we should have grown old together and in the same nursing home. I have sooooo many memories, not to mention all the firsts we either did together or certainly talked about. You were my sister my confidant. I will never forget our times in lake placid, dancing, all the little skits we did, the mommasausa and papasausa. The countless sleepovers everything. i am holding on dearly to all our memories to try to make sense of all this save me a seat because we will have alot of catching up to do. Say hello to uncle billy, hug my mom and have a beer with Gary tell we meet again sweet angel.
