“ *My deepest condolences to the Buil Family. I had the pleasure of knowing Tom through property management. He always brought me many smiles and loads of opinions, boy was he a fire cracker! He knew how to make a horrible day, better. I love how we could sit, gripe, and chat for hours in my office. Even when he knew i had work to do, he was staying and we were talking! He gave me a lot of insight on life and many good laughs! Tom I am so grateful you were a part of my life for 7 years! I am so saddened to hear the news! I will miss you terribly. Until we meet again. With love and friendship, Holli.*

“ I met Tom through my husband, Leonard Palmer. They were good friends and I joined in that friendship. After my husband passed away I moved to Florida. We stayed very good friends. He had a very tough time with his health as long as I've known him. We talked on the phone about our lives, loves, kids, recipes, music and The Buffalo Bills. My husband now is German and Tom would send German music. I will miss his friendship very much. Knowing that he is now at peace provides a degree of comfort to me. Rest in peace my good friend.

“ Tom was a great neighbor and definitely one of those larger than life kind of guys. He took no nonsense from anyone and wasn't afraid to share his opinion. We will miss him and wish his family peace and strength during this difficult time. God bless!
